Subject: Re: GNETS Calendar and SDQ data

One question- does our PE teacher HAVE to be a certified(maybe retired) teacher? Or could we have what we've had -- a personal trainer? If so, what qualifications does the personal trainer have to have. Thank you!!

Hello directors,

I hope that you are enjoying your summer. Please see the GNETS calendar for FY18 attached. I have also included the results for your SDQ ratings, the other three documents were shared with state board members in an update meeting.

I am meeting with Carly Ambler on morning to finalize guidance and procedures for professional qualifications as it relates to GNETS. If you haven't done so already, please email me any questions or concerns that you may have by 8:00am Monday morning.

Nakeba
